Lindsey Street Construction Work Zone Temporary Speed Limit Reduction

Beginning Thursday, July 2, 2015, the regulatory speed limit on Lindsey Street between Berry Road and 24th Avenue Southwest will be temporarily lowered to 25 mph. This change is occurring both for the safety of the motoring public and the personnel involved with the reconstruction of this roadway segment. The lower speed limit is implemented under the provisions of Section 20-1002 of the Code of Ordinances. The change will be implemented by the construction team.

For questions about the project, contact Mr. John Clink, Engineering Capital Projects Manager, at 405-366-5424 or John.Clink@NormanOK.gov. For questions about the change in speed, contact Mr. David Riesland, City Traffic Engineer, at 329-0528 or David.Riesland@NormanOK.gov.
